Recruitment

WEC MK School

SGS was founded by WEC International Korea in 2011 at Cheon-An. Our aim is to educate and guide secondary students from missionary families. We are now recruiting students for spring semester 2019.

Our campus was moved to Daejeon in February 2018 and the school's system has been modified. This was done through 1:1 mentoring and self-directed learning. The school provides both English and Korean curricula depending on the students' educational goals.

Having an international atmosphere as there are teachers from many countries, SGS helps students adapt to life in Korea. By focusing on Biblical education, we help each student grow in his personal faith. A family atmosphere is provided by our boarding facilities.

"If Jesus Christ be God and died for me, then no sacrifice can be too great for me to make for Him."

- Charles Thomas Studd, founder of WEC

Eligibility
